SINCE 2011

Who We Are

A registered Ugandan NGO turning promise into performance for fifteen years.

KSK Foundation is a registered Non-Governmental Organization headquartered at Plot 24A Hannington Road, KSK Green Campus, Kampala, Uganda. Since its founding in 2011, the Foundation has championed Leadership, Innovation and Enterprise as the three pillars of community empowerment and poverty eradication.

The Foundation works principally with secondary school students, university-bound youth, and young professionals; identifying promising individuals early through scholarships, developing their capacity through structured academies and boot camps, and connecting them to a growing network of facilitators, mentors and alumni drawn from banking, consulting, academia and industry.

OUR FOUNDATION

Mission & Three Pillars

“To empower communities and eradicate poverty by cultivating leadership, driving innovation, and building enterprise capability in Uganda’s young people.”

Leadership

Cultivating confident, ethical decision-makers ready to lead teams, organizations and communities.

Innovation

Nurturing creative problem-solvers who can design solutions for real-world challenges.

Enterprise

Building practical, entrepreneurial and professional skills that translate directly into employability.

WHAT WE DO

A Coherent Pipeline of Programs

From secondary-school scholarship through to professional readiness and leadership.

KSK Foundation Scholarships

Full & partial scholarships for bright, disadvantaged students at leading secondary schools.

World Ready Program & Hackathon

Annual leadership, innovation and hackathon program for S6 holiday-makers, running since 2017.

Financial Services Academy

Practical financial-literacy and services-sector readiness training with banking & finance partners.

Kaizen Teens Boot Camp

Structured life-skills and leadership program for teenagers, including an international-schools track.

Plus: the standing Foundation Facilitators Network and FOCUS Magazine, supporting every cohort.

World Ready Program (WRP) & Hackathon

Flagship program for S6 holiday-makers · Running annually since 2017

Over two months, participants engage in leadership training, innovation challenges and a competitive Hackathon that puts their problem-solving skills to the test. More than 100 students have passed through the program, drawn from schools such as Kings College Budo, Gayaza High School, Nabisunsa Girls' Secondary School, Kabojja International School and Taibah International School.

PARTNERSHIP OPPORTUNITIES

- Title sponsorship of the annual Hackathon
- Provision of judges & mentors
- Prize sponsorship
- Internship placements for top performers

Culminates in a student-led Hackathon, live project pitches to a judging panel, and a Graduation Luncheon.

NEW FOR 2026/27

Two Flagship Pilot Initiatives

Incorporated into the World Ready Program from March 2027, designed to close the gap between academic learning and real-world readiness.

Corporate Survival Boot Camp

A five-day immersive workplace simulation, students are "hired" into a company and rotate through HR, Finance, Marketing, Operations, Communications and Project Management under real deadlines.

1. Corporate induction & team formation
2. Departmental & cross-functional simulation
3. Crisis-management simulation
4. Innovation pitch to a mock Board
5. Reflection & career coaching

Rural Leadership Exchange

A five-day community co-creation experience, students work alongside rural leaders, schools, farmers and community groups on practical, locally prioritized solutions.

1. Orientation & cultural immersion
2. Participatory community assessment
3. Co-creation & pilot implementation
4. Community presentation & feedback

Day 5: Community presentation, feedback and joint planning for follow-up.

What You Gain as a Partner

Uganda's young people have talent, ambition and ideas: what many lack is the platform, mentorship and opportunity to turn potential into impact.

Direct Talent Access

A pipeline of high-potential young talent for internships, graduate recruitment and mentorship.

Brand Visibility

Reach a network of schools, alumni, facilitators and community stakeholders built over 15 years.

A Credible Story

A well-documented community-investment story, with real figures, not projections.

Flexible Engagement

From cash sponsorship to facilitator secondment to in-kind support, tailored to your organization.

Every KSK Foundation program is reported on monthly and reviewed quarterly, a disciplined, transparent partner.
